Habegger Wire Rope Hoist Technology focus on quality, reliability, functionality, and safety. High performance and dependability define the entire HABEGGER product line apart from the “Swiss Quality” promise.

Habegger Hoisting & Lifting Systems is part of Jakob group.
HABEGGER HIT-6

The smallest and lightest unit for pulling, lifting and lowering:

- Light alloy housing
- Anchorage bolts secured
- Overload protections by shear pin
- Exchangeable shear pins in jaw opening lever
- Case available

HABEGGER HIT-10

The all-rounder with the excellent ratio between pulling force and weight:

- Light alloy housing
- Anchorage bolts secured
- Overload protections by shear pin
- Exchangeable shear pins in jaw opening lever
- Case available

Dimensions
L 429 mm B 101 mm H 242 mm

HABEGGER HIT-16

The professional wire rope hoist with a range of uses. Powerful yet compact:

- Light alloy housing
- Anchorage bolts secured
- Overload protection by shear pin
- Exchangeable shear pins in carrying handle
- Expansion for hydraulic drive
- With handle
- Lever tube can be pulled out
- Storage case available

Dimensions
L 547 mm B 120 mm H 300 mm

HABEGGER HIT-32

The powerhouse of the manual wire rope hoists. Pulling force in excess of 3 tonnes:

- Light alloy housing
- Anchorage bolts secured
- Overload protection by shear pin
- Exchangeable shear pins in carrying handle
- Expansion for hydraulic drive
- With handle
- Lever tube can be pulled out
- Storage case available
